### 630W 230V 115mm Angle Grinder

Features:

- Ergonomic compact design
  - Spindle lock button for easy disc change
  - Two position side handle
  - Fully adjustable guard
- Supplied with: locknut and flange, pin spanner, 3M (approx.) cable and approved plug. Display carton.

Specification:

Disc diameter	... 115mm (4.1/2")
Bore diameter	... 22.2mm
Spindle thread	... M14
Speed (no load)	... 12,000r/min
Weight	... 1.7kg

Stock No.	Box Qty	Price each
23032	—	£36.02P

**2** PT9115B

### 910W 230V 115mm Angle Grinder

Features:

- Powerful motor
  - Ergonomic compact design
  - Spindle lock button for easy disc change
  - Two position handle
  - Fully adjustable guard
- Supplied with: locknut and flange, pin spanner, 3M (approx.) cable and approved plug. Display carton.

Specification:

Disc diameter	... 115mm (4.1/2")
Bore diameter	... 22.2mm
Spindle thread	... M14
Speed (no load)	... 12,000r/min
Weight	... 2.0kg

Stock No.	Box Qty	Price each
23033	—	£47.64P

**3** PT2023A

### 2100W 230V 230mm Angle Grinder

Features:

- Powerful motor with soft start
  - 180° rotating handle
  - Spindle lock button for easy disc change
  - Three position side handle
  - Fully adjustable quick release guard
- Supplied with: locknut and flange, pin spanner, 3M (approx.) cable and approved plug. Display carton.

Specification:

Disc diameter	... 230mm (9")
Bore diameter	... 22.2mm
Spindle thread	... M14
Speed (no load)	... 6000r/min
Weight	... 6.5kg

Stock No.	Box Qty	Price each
20505	—	£83.68P
